OVERVIEW

Do you want to know which companies are investing heavily in Central and Eastern Europe? Do you need reliable information on economic policies of countries in the CEE region? The CEE-BusinessLine will help you to keep an overview of economic developments in that area. CEE-BusinessLine is a comprehensive business and finance newsfeed with up to 80 reports per working day.

RELEVANCE

As a joint product of 9 national news agencies the CEE-BusinessLine provides professional users with relevant news about economics, industries, companies and capital markets of the whole region. With this unique newsfeed users get information about 14 countries in one system.

RELIABILITY

Nine leading agencies of Central and Eastern European countries contribute high quality business and finance news to the CEE-BusinessLine. You can benefit from the agencies' consolidated knowledge of their home market as well as from their well-established relations to policy makers and leading companies. The sooner you get reliable information the sooner you can react to competitors' actions and political decisions.
